

Name TruGrain made with Resysta

Product ID Decking Classification  
Website www.tru-grain.com

Manufacturer Westtech Building Products Contact Name Beau Bunte  
Address 7451 Hwy 62 East Title Mechanical Engineer  
Mount Vernon, IN 47620 Phone 812-985-3628  
Email bbunte@westlake.com

**Description** TruGrain decking products surpass natural hardwood in many respects. It is resistant to weather, pests and fungal decay, and will not splinter, swell or crack. At the same time, TruGrain requires minimal maintenance, is slip resistant and available in diverse shapes and colors. All these characteristics make TruGrain decking especially suitable for areas exposed to harsh weather or humidity and maritime applications.

TruGrain siding products are the perfect choice for full siding or as a design detail. TruGrain is available in a variety of profiles and can achieve looks ranging from colonial to contemporary. It can also be shaped, cut and curved for maximum design flexibility. TruGrain's proprietary material blend makes it durable for use in the most extreme environments. It also has the highest possible rating against fungal decay, making it perfect for areas in constant shade or prone to excessive moisture.

TruGrain facade products not only offer the look and feel of wood, they can be cut, milled and even bent, making them perfect to be used as an accent material. And because TruGrain will not swell, shrink or crack, it is also well-suited for use as a wall cladding and on soffits. TruGrain can also be stained in a wide palette of natural wood tones and designer colors for even more design versatility.

Release Date 2015-08-11  Self-declared  
Expiry Date 2018-08-11  Second Party **Certifier**

### SUMMARY DISCLOSURE

The content of this product was assessed for health hazard warnings as required using Pharos

**Residuals Disclosure**  Measured 100 ppm (ideal)  Measured 1000 ppm  Predicted by process chemistry  As per MSDS (1,000 & 10,000 ppm)  Not disclosed  Other

**Full Disclosure of Intentional Ingredients**  Yes  No  
**Full Disclosure of Known Hazards**  Yes  No  
**Disclosure Notes**

### Contents in Descending Order of Quantity

Undisclosed (Active Resysta Filler 8003TR-ARF-S) , POLYVINYL CHLORIDE (PVC) , LIMESTONE; CALCIUM CARBONATE

**Hazards**  PBT (Persistent Bioaccumulative Toxic)  Cancer  Gene Mutation  Development  Reproductive  Endocrine  Respiratory

**Highest concern GreenScreen score - List Translator Unspecified**  Neurotoxicity  Mammal  Skin or Eye  Aquatic toxicity  Land toxicity  Physical hazard  Global warming  Ozone depletion  Multiple  Unknown

**Total VOC Content**  
Material (g/L) N/A **Does the product contain exempt VOCs?**  N/A  Yes  No  
Regulatory (g/L) N/A **Are there VOC-free tints available?**  N/A  Yes  No

Notes

**Certifications + Compliance**

**VOC Emissions**      Not tested

**VOC Content**

N/A

The HPD Standard is solely a declaration of product content and direct health hazards associated with exposure to its individual contents. It is not a full assessment of environmental impacts from the life cycle of this product. It is not an assessment of risks associated with actual use of the product. It does not address the potential health impacts of substances used or created during manufacture that do not appear in the final product as residuals, nor substances created during combustion or other degradation processes.

This Health Product Declaration was generated following the requirements of the noted Standard version and is valid for a total of three years after date of issue or three months after a substantive change of product contents occurs. Users should verify that this Health Product Declaration is compliant with the most current version of the HPD Standard. Accuracy of claims made in this Health Product Declaration is the sole responsibility of the listed manufacturer and certifier (if applicable). The HPD Collaborative does not warrant any claim made herein, explicit or implicit. The HPD Standard is an “open standard” developed and managed by the HPD Collaborative, a nonprofit organization. For more information, visit [hpdcollaborative.org](http://hpdcollaborative.org).

## CONTENT IN DESCENDING ORDER OF QUANTITY

All ingredients must be assessed for health warnings against Priority Hazard Lists, regardless of disclosure level.

Priority Hazard Lists and information on the GreenScreen Benchmarks can be found at [www.hpdcollaborative.org/hazardlists](http://www.hpdcollaborative.org/hazardlists).

**GS:** GreenScreen Benchmark; **RC:** Recycled Content, **PC:** Post Consumer, **PI:** Post Industrial (Pre-consumer), **BO:** Both; **Nano:** comprised of nanoscale particles or nanotechnology

Name	CAS RN	% weight	GS	RC	Nano	Role
Hazard A	Warning A					
Hazard B	Warning B					
Hazard C	Warning C					
Hazard D	Warning D					
Hazard E	Warning E					
Notes						
Undisclosed (Active Resysta Filler 8003TR-ARF-S)	Unknown	40 %		U	N	Proprietary ingredient mixture
None found	No warnings found on HPD Priority lists					
Proprietary mixture						
POLYVINYL CHLORIDE (PVC)	9002-86-2	40 %	LT-U	N	N	Raw Material Component
RESPIRATORY	AOEC: Asthmagen (ARs) - sensitizer-induced					
LIMESTONE; CALCIUM CARBONATE	1317-65-3	20 %	LT-U	N	N	Raw Material Component
None found	No warnings found on HPD Priority lists					

## CERTIFICATIONS AND COMPLIANCE

**Certifying Party** = First: Manufacturer’s self-declaration; Second: Verification by trade association or other interested party; Third: Verification by independent certifier (ideal).

**Applicable facilities** = Manufacturing sites to which testing applies.

**ACCESSORY MATERIALS**

This section is for additional products required by warranty or recommended by the manufacturer for installation (such as adhesives, fasteners, or factory coatings) or for maintenance, cleaning, or operations. Refer to Health Product Declarations, published separately, for a complete view of these products.

Note: This declaration is not intended to address hazards of the installation process.

Required or Recommended Product	URL for Companion Health Product Declaration
<b>Condition when required or recommended and/or other notes</b>	
Stainless Steel Screws	
Required in installation of Decking, Siding, Façade, Porch, and general construction products. See manufacturer specific installation guides for more specific uses.	
Plastic Decking Clips	
Required in the installation of decking products. See manufacturer specific installation guides for more specific uses.	
Plastic Façade Clips	
Required in installation of façade products. See manufacturer specific installation guides for more specific uses.	
Metal Decking Clips	
Required in installation of decking products. See manufacturer specific installation guides for more specific uses.
